Welcome to Albany Creek Scouts (11-14yo)

Scouts is for boys and girls aged 11 to 15 and is the most well-known section of the Scouting Movement – Scouts is where the action is! These ages may vary up to 6 months. If you are passionate about action then you're a Scout! Everyday will make your adrenaline rush when you participate in a range of action-packed activities. Whether you're mastering the art of outdoor safety, participating in amateur radio shows and performing arts productions, or attending the ultimate Scouting adventure of a Jamboree, you'll learn life-long skills that you can teach your friends. At Scouts you'll become a member of a Scout Patrol and your Patrol will work with other Patrols to form a larger Scout Troop. Together you'll make important decisions, set critical goals, and depend on each other to succeed. And when you do succeed, you can earn achievement badges! Action is at the core of all Scouting activities. Whether they are tackling a river in a kayak or learning knot tying at a Troop meeting, our program ensures that our Scouts never stand still!

Signing In and Out

For security purposes we ask that whoever drops your child to the Scout den each week sign's in upon arrival at the den. We keep track of who attends each week and your assistance with this will be appreciated. Similarly, it is the same at the end of the night that we ask that you sign out your child when collecting them to take home. As your child gets a little older they can sign themselves in and out.

Uniform

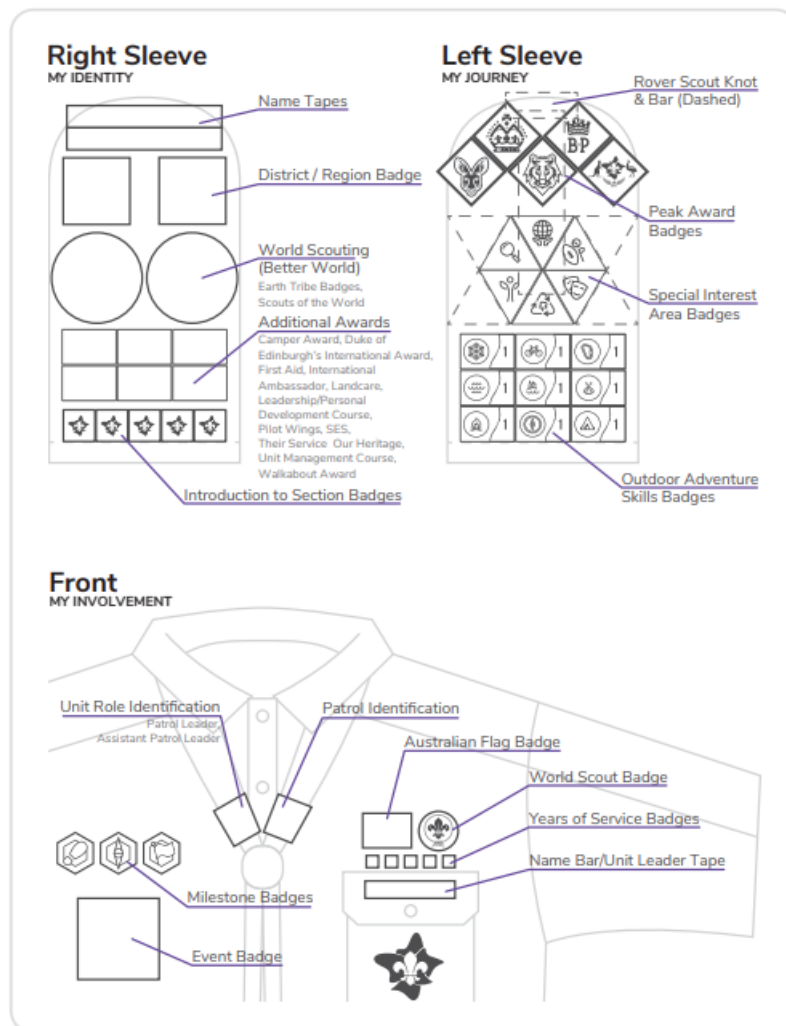

The Scout uniform can be purchased online at <https://scoutshop.com.au/t/uniforms/scouts-11-14>

The uniform comprises a shirt and belt. We will provide you with the scarf and badges when your child is invested into Scouting. Please speak with our leaders about the need for a sun smart hat, suitable footwear, and other clothing items.

The Scout Leaders will talk with you about your child's investiture which usually occurs 3-4 weeks after joining. We encourage you to attend, take photos, and share their excitement.

Badges

During your child's adventure in Scouts they will have the opportunity to gain target and proficiency badges and we hope will want to achieve their Australian Scout Award. This will mean a little bit of sewing for someone in your family. The picture below shows where each badge is placed on the uniform.
